INFORMATION DISCLOSURE STATEMENT

Applicant is submitting herewith a form PTO-1449 and materials cited therein that Applicant wishes to make of record. These materials are from the civil action Liebel-Flarsheim Company v. Medrad, Inc., which involves two issued patents from which this application claims priority, namely, U.S. Patents 5,662,612 and 5,928,197. These documents are provided to make of record, positions of Medrad, Inc. and events of the litigation. Applicant does not by this submission acknowledge the accuracy of any facts or opinions stated in these documents.

Most documents provided by Medrad, Inc. during the litigation are available only under an obligation of confidentiality, and thus cannot be submitted for entry in a Patent Office file that will be made public; therefore, Applicant has selected documents that are not or no longer under such an obligation.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail, postage prepaid in an envelope addressed to: Assistant Commissioner of Patents, Washington, D.C. 20231 on: April 23, 2003

Thomas W. Humphrey
Reg. No. 34,353

In the interest of brevity, Applicant has selected documents that provide summary information, so that the Office has notice of issues raised. The information provided may be supplemented upon request, although Applicant does not believe any supplement will be required. (For example, Applicant understands that the Patent Office no longer investigates allegations of inequitable conduct or inventorship error, such as are raised by Medrad.) Nevertheless, if the Office wishes detailed information on any aspect raised in these filings, Applicant will endeavor to provide any requested detail, subject to the confidentiality obligations noted above.

if any charges or credits are necessary to complete this communication, please apply them to Deposit Account 23-3000, and if any petition for extension of time is necessary to accompany this communication, please consider this paper a petition for such an extension of time, and apply the appropriate extension of time fee to Deposit Account 23-3000.

Respectfully submitted,

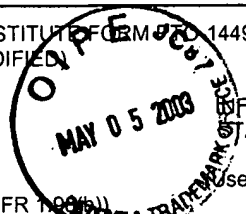

Thomas W. Humphrey
